COUGAR

MX330-X

Elegant and functional midi tower

- PSU & 3.5 bay cover
  Tucking all cables and less-attractive drives behind a clean, refined PSU cover

- Best cooling solution
  Water cooling radiator support up to 240mm on front or top

- Best ventilation solution
  Support up to 6 fans

- Sufficient flexibility for multiple graphics solutions up to 350mm

- Cable feedthrough on the MB tray for easy routing and hiding of cables.

- Highly Cleanable Design
  Easily cleanable and detachable air filters on the top, front & bottom cover allow you to keep your computer clean and protected from dust.

- 7 PCI slots provides flexibility for multiple graphics cards solutions
