Product Description

The Logitech® M190 Full-Size Wireless Mouse features a comfortable, contoured shape designed to follow the natural curve of the hand so you stay productive longer at an affordable price. The scooped buttons guide fingers into ideal placement, while additional palm support provides all-day comfort at work or at home .

Key Features

- **Full-Size Comfort:** Optimal comfort for both hands with a contoured shape designed to follow the natural curve of large hands. Scooped buttons guide fingers into ideal placement.
- **Lag-Free Wireless Connection:** Work wirelessly and move freely - from up to 10 meters away, with virtually no delays or dropouts.
- **Uncompromised Quality:** The essentials you need for easy navigation with precision tracking and accurate line-by-line scrolling at an affordable price.
- **Built to Last:** Durable and reliable quality you can depend on for a longer time.
- **18-Month Battery Life** - Worry-free usage for up to 18 months with the included AA battery. Power-saving mode automatically kicks in when not in use.*
