# SOUND BLASTER GS3

Sound Blaster GS3 Compact Gaming Soundbar with SuperWide™ technology

A step-up from your built-in desktop or laptop speakers, the compact Sound Blaster GS3 offers an immersive soundstage with pronounced bass that bellies its size. Your audio experience will also come alive with SuperWide™ technology–engineered for the ultimate movie and gaming experience.

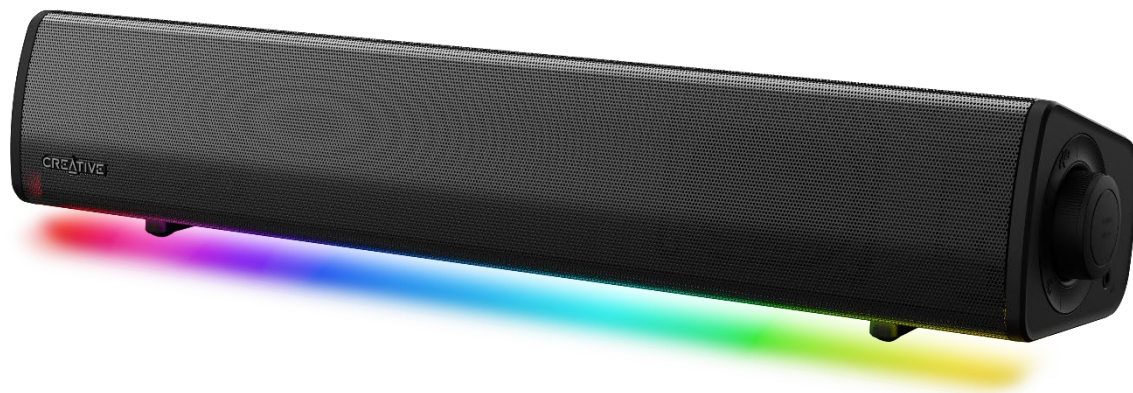

LIGHT UP YOUR SOUND – The soundbar offers multiple advanced RGB lighting presets, Chasers, Aurora, Peak Meter, Glowing, Wave and Cycle, perfect for setting the right mood.

POWERFUL AUDIO – Enjoy acoustic power of up to 24W peak power with its full-range racetrack drivers and built-in port tube.

ENHANCED WITH SUPERWIDE™ TECHNOLOGY – Step into an immersive soundstage with pronounced bass that bellies its size. Enjoy a cinema-like experience at the comfort of your own home, with startlingly wide audio experience in an instant.

FLEXIBLE CONNECTIVITY – These options range from USB-C, AUX-in cable, to wireless *Bluetooth* 5.4! You can also connect headphones directly to the soundbar via the headphone-out port.

COMPACT DESIGN AND EASE OF CONTROL – Sporting a refined, all-black design, the Sound Blaster GS3 easily matches any setup and fit snuggly under your PC monitor. Designed with usability in mind, the volume and functional controls are conveniently located at the side of the soundbar for easy reach and hassle-free control.
