

# Smart Wi-Fi Light Bulb, Multicolor

Model: Tapo L530E

Live Smarter

Schedule & Timer

Voice Control

Remote Control

Energy Monitoring

Away Mode

No Hub Required

Adjustable  
Brightness and  
Color via Tapo app

## // Highlights

### Multicolor

- Multicolor and Easy Dimming  
Set the mood in your home to create the perfect ambiance.
- Preset for Convenience  
Save and preset your favorite lightings for multiple scenarios.
- App Control  
Manage all lights at your fingertips, easily like never before.

### Schedule

- Set Your Times  
Create a regular schedule to turn on/off with the brightness you set.
- Sunrise and Sunset Mode  
Automatically activate your light according to your time zone.

## // Highlights

### A Deterrent for Your Home

Away Mode, a feature that intelligently simulates someone being home by turning the light on and off, makes it appear that someone is home when you're on long trips to keep away people with ill intent.

### Free Up Your Hands with Voice Control

You can use Amazon Alexa or Google Assistant to control your devices with voice commands like "Alexa, turn on the light please".

## // Features

- **Multicolor** – Experience endless lighting possibilities with the multicolor light bulb. Choose from a wide array of colors, even dim to any brightness you desire for the perfect atmosphere.
- **Remote Control** – Control your smart light bulb from anywhere conveniently with the Tapo app.
- **Schedule** – Preset a schedule to automatically manage devices.
- **Timer** - Create countdown timer lists for connected electronics.
- **Voice Control** – Manage your smart bulb with voice commands via Amazon Alexa or the Google Assistant.
- **Energy Monitoring** – Track the real-time energy consumption with the Tapo app.
- **Away Mode** – Automatically turns bulb on and off at different times to give the appearance that someone is home.
- **Easy Setup and Use** - No hub required, set up quickly and manage easily through the free app.
- **Device Sharing** - Easily share management permissions with each member of your family.
- **Sunrise and Sunset Mode** - Automatically activate your bulb according to your time zone.
- **Energy Saving** - Reduce energy use up to 85% without losing brightness or quality.
