# Real Progress With a Virtual You

Keep track of the changes on your fitness journey via a 3D model.

### IPX5 Waterproof

Designed to withstand wet conditions, Smart Scale P2 Pro can be stored in the bathroom without worry.

### Third-Party App Syncing

Upload your measurements to the EufyLife app. Afterwards, you can also sync with Apple Health, Google Fit, or Fitbit to keep your data all in one place.

### For the Whole Family

Record unlimited users' data on the EufyLife app, and share your progress with friends and family.
